## Product Offering:

Apex Wood Floors creates limitless finishes and styles spanning the interior design spectrum. Its custom hardwood flooring product offering includes:

- "Renaissance": wide plank handcrafted and distressed flooring
- "Artisan": European white oak flooring
- "Revival": Eco-friendly, vintage, reclaimed flooring
- Select premium domestic and exotic wood species
- Designer medallions, inlays and patterns

All wood species by Apex are from sustainable timber-managed hardwood forests, and its "Revival" collection is FSC-certified (Forest Stewardship Council).

## Product Availability:

The award-winning, highly experienced team at Apex Wood Floors is prepared to effectively and efficiently respond to the most challenging project requirements and discerning clientele.

The superior craftsmen at Apex work closely with:

- Architects
- Interior designers
- Custom builders
- Trade professionals
- Homeowners

## Service Offering:

Fully committed to overall excellence and client satisfaction, Apex installations are covered by a workmanship warranty.

Apex provides complete design and installation services, including:

- Removal of existing flooring
- Disposal of waste
- Installation and finishing of new wood floors
- Refinishing of existing floors
- Dustless recoating
- Maintenance of oiled and waxed floors
